## **Brief Summary:**

I am an **Assistant Manager – Information & Communication Technology (ICT Cell)** at **Parul University, Vadodara, Gujarat** with an **MBA in Business Analytics** and a **Bachelor's degree in Computer Science Engineering**. I bring a strong combination of technical knowledge, business understanding and managerial responsibility.

I have a focused interest in leveraging technology and data to solve complex business problems. I specialize in converting raw data into actionable insights using tools such as **Power BI and Microsoft Excel**, supporting data-driven decision-making through analysis, reporting and dashboards. My skill set continues to grow across analytics, strategy and management.

I also offer proven leadership and communication experience, having served as a class representative and managed large academic **Telegram communities with 22,000+ subscribers**. Additionally, my hands-on projects and **internship experience as a Business Analyst** involved organizational data analysis and solution-driven insights. I am forward-looking and motivated to drive innovation and contribute to organizational success at the intersection of business and technology.

## **ROLES PERFORMED DURING ACADEMICS:**

- Worked with **my Mentors**, who are **Entrepreneurs, Company Directors & CEOs**, etc. on **various personal projects of my Mentors**.
